

LIMEBERRY

GO WITH THE BEST

Experience true-to-life picture
with **LIMEBERRY OLED**

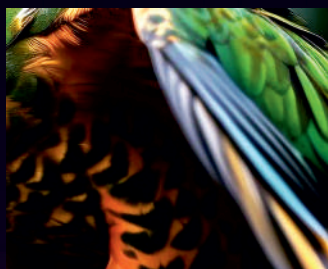

OLED PICTURE

LCD TV
(LED/Mini LED TV)

OLED TV

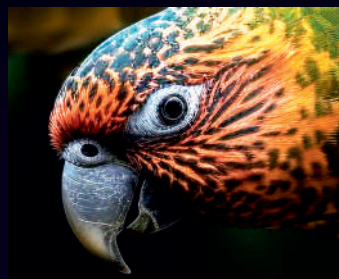

100% Color Fidelity & 100% Color Volume

Maximum color fidelity allows you to enjoy a true color appearance with exact color volume just like the original.

Infinte Contrast

With deep dark blacks that can only be achieved by self-lit pixels, bold contrast reveals details your eyes usually miss with crisp, defined visuals.

Your Limeberry 4K UHD TV is compatible with all major HDR formats, which means you get brilliant, sharp images. you'll see every detail, even in dark and bright areas.

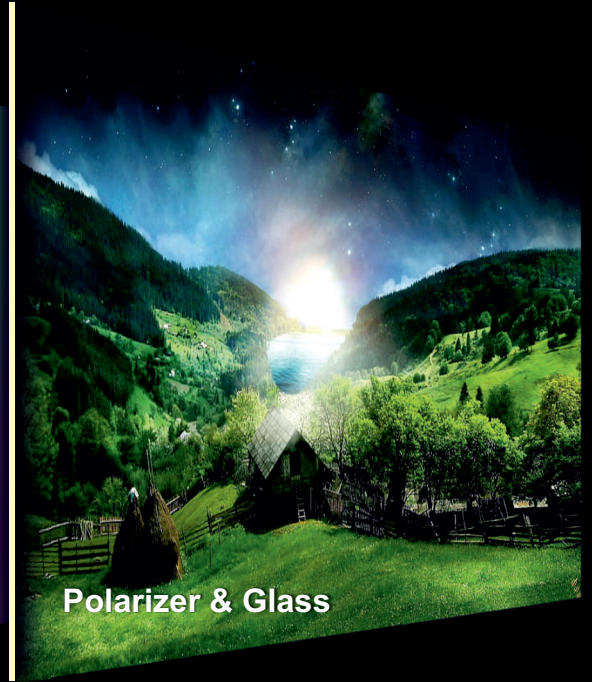

4K

4K Display

OLED PICTURE

SELF-LIT OLED
No **Backlight** Necessary

Brightness Booster Max
Belold Even **Brighter** OLED

Limeberry OLED's iconic self-lit pixels shine brighter than before with the light Boosting Algorithm, Light Control Architecture, and other refinements driven by 4K AI Processor.
