## UHD Tech

### Reveal the last Detail

Limeberry UHD TV with HDR Pro brings optimized brightness levels for vivid color and remarkable detail.

### Redefine Scale of 4K

Watch non-4K content in 4K on big UHD screens to enjoy clarity and precision in every moment.

# UHD PROCESSOR

## 4K AI Processor

Feel like a protagonist amidst stunning visual and realistic audio, enhanced by processor.

## AI Sound Pro

Rich audio immersion. AI Sound Pro's deep learning algorithms enhance sound by converting 2 channels of audio into 5.1.2 virtual surround, so you enjoy full sound for all the content you love.

## AI Brightness Control

Automatically adjusts your screen's brightness to match the ambient lighting levels, ensuring optimal viewing in any setting.

# UHD SMART

webOS23 New Home | My Profile

## Smart Function For You

Bring convenience to your TV with personalized alerts and customized recommendations for every family member. The All New Home gives you a faster, more intuitive viewing experience.

Nicole

Sarah
